

Army Traffic Safety Training Program, (ATSTP)

WHAT: ARMY TRAFFIC SAFETY TRAINING PROGRAM (ATSTP) (Includes both Motorcycle and Automobile Training)

MOTORCYCLE TRAINING

The motorcycle courses are part of a continuing education program consisting of the Basic Rider Course, Experienced Rider Course, Military Sport Bike Course and the Motorcycles Refresher Course.

NOTE: Motorcycles and PPE are provided for the Basic Rider Course only.

Motorcycle riders must provide their motorcycles and proper PPE for the ERC/Sport Bike and Motorcycle Refresher Course.

AUTOMOBILE TRAINING

The ATSTP also provides the Local Hazards Course and the Intermediate Drivers course as automobile accident prevention training.

WHO: The ATSTP training is for Soldiers only and is free. DA civilians may attend the Local Hazards and Intermediate Drivers training, However, Soldiers have priority!

WHEN/WHERE: Information for all training is found at the Army IMCOM Registration System, (AIRS) Site. All ATSTP must be scheduled through AIRS at <https://airs.lmi.org/default.aspx>.

The New ATSTP building 6074 is located on Screaming Eagle Blvd across from Range Control.

POC for the ATSTP is Kalia Perry at 270-798-7433 or 270-461-0065/0066/0067
